

GOVERNING PANDEMICS 101

SESSION 8 QUIZZES:

UNIVERSAL HEALTH COVERAGE AND GEOPOLITICAL CHALLENGES

QUIZ 1

1. Which two of the following are key elements of “universal health coverage”?
 - a. Access to essential health services for everyone, everywhere
 - b. Access to treatment services excluding prevention or promotion
 - c. Large co-payments to stop people over-using health services
 - d. Protection from financial hardship because of health care costs
2. What are some of the measures that could be included in the pandemic instrument negotiations to help promote Health for All? (Up to three)
 - a. Focus health budgets exclusively on intensive care units in city hospitals
 - b. Establish “core minimum standards” for health systems, including greater attention on public health (e.g. health promotion and prevention measures) as well as specialist care
 - c. Promote adequate public financing for health
 - d. Promote an increase in individuals’ out-of-pocket expenditures on health care
 - e. Reinforce commitments to “leave no one behind”, especially measures for gender equity and reaching under-served population groups
 - f. Use trade and intellectual property measures to prioritize supplies of new vaccines and treatments for the countries in which they were developed

QUIZ 2

1. How strongly do you think global health is shaped by geopolitics? (Ranking from 1-5)
2. What kind of global health diplomacy was most successful during the COVID pandemic?
 - a. Diplomacy that served national interest
 - b. Diplomacy for the common good
3. Keeping geopolitics in mind, what innovation in global health will be most probable?
 - a. A new financing mechanism
 - b. A revision of the IHR
 - c. A pandemic treaty
 - d. A strong WHO
4. Which statement do you agree with most:
 - a. Global health advocates must be more politically astute
 - b. Global health should not be influenced by politics
